About Howden Puri

A specialist insurance brokerage firm in Tanzania focusing on delivering exceptional services to our clients. We are experts in handling all major classes of insurance with a particular focus on delivering innovative solutions using technology. We have over 62 years of local market knowledge / relationships now strengthened by being part of the Hyperion group.

Our History

B R Puri & Company Limited is the oldest Tanzanian Insurance Broker operating for more than 62 years. In 2018 B R Puri strategically partnered with the Howden Broking Group to create a new local entity in Tanzania. This new entity combines local knowledge with the scale of a global broker.

The Company was established by late Mr. B.R. Puri and represented various leading insurers such as Eagle Star Insurance Company, Yorkshire Life Assurance, Scottish General, LIC of India, American Life and Crusader Life just to name a few.

// howden

Howden is part of the Hyperion Insurance Group and is the largest employee owned insurance broker in the world.

We are specialists, not generalists. Our leadership teams are all experienced practitioners who are actively involved in working with our clients regionally.

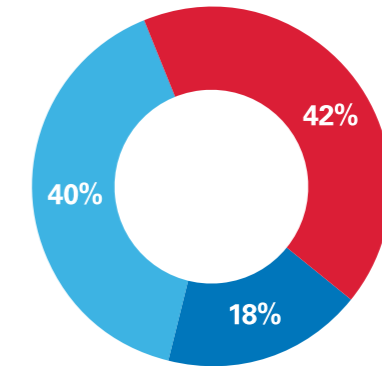

Together with our Howden One partners we deliver a first class global service with local expertise across all industries.

HYPERION GROUP

Hyperion was established in London in 1994, and today is a leading, international insurance group, whose businesses are leaders in their fields.
